

Solar panel LG 410 GBB

35 Years Linear Warranty at 80% production

■ Light Green's Linear Performance Warranty
■ Industry Standard Warranty

LG Half Cut Bifacial Cell Module

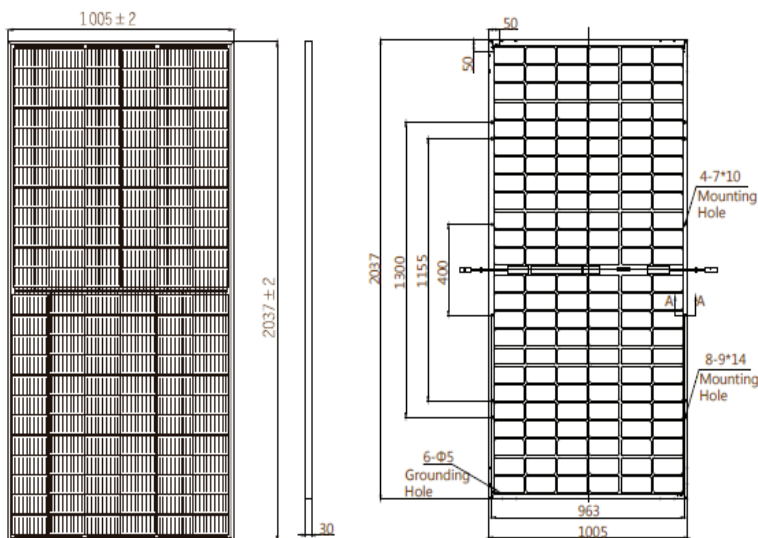

20.0%

CELL EFFICIENCY

12 YEAR

PRODUCT WARRANTY

The multi-busbar design can decrease the risk of the cell micro-cracks and fingers broken.

High Power Density

High conversion efficiency and more power output per square meter, by lower series resistance and improved light harvesting.

$$+ \frac{W}{m^2}$$

PID Resistant

Tested in accordance to the standard IEC 62804, our PV modules have demonstrated resistance against PID (Potential Induced Degradation), which translates to security for your investment.

Advanced Glass

Our high-transmission glass features a unique anti-reflective coating that directs more light on the solar cells, resulting in a higher energy yield.
